

# ARDENT

PRESCHOOL & DAYCARE

## HEALTH & SAFETY PROTOCOLS

- Medical/Sickness Policy:**  
For everyone's protection, we follow regulations regarding illness. If your child shows signs of illness requiring them to be picked up, an authorized family member must do so within 90 minutes or less. To receive a copy of our Medical/Sickness Policy, please see your campus administration.
  
- Hand Sanitizing Policy:**  
We require that all parents sanitize their hands upon entering the building.
  
- Temperature Checks:**  
We check the temperatures of all students and staff as needed.
  
- Clear Blue Germicidal Lighting Systems:**  
All campuses are equipped with Clear Blue Germicidal Lighting Systems that clean the air more effectively than ordinary air filters and has a destructive effect on microorganisms and harmful pathogens.
  
- Disinfectant Foggers:**  
All campuses are fogged monthly and as needed, after students have cleared the building.
  
- Training Modules:**  
We require all staff to complete training modules on Maintaining a Healthy Environment which includes preventing transmission methods, protocols for cleaning, introduction to disinfectant products and proper hand hygiene.
  
- 3rd Party Services:**  
3rd party extracurricular services are required to submit and adhere to our Health and Safety Procedures.
  
- Gloves:**  
The use of gloves when diapering, assisting with toilet use, and when serving or handling food.

---

Our Health & Safety Protocol has been approved by the State Health Department and audited by Jefferson County. It matters greatly to us that we remain in compliance at all times.
